

HOW CAN I KNOW MORE ABOUT GOD?

BIBLE STORY: Love and Obey God (2 Peter 1:1-15)

BIBLE TRUTH: God helps me become more like Jesus.

BIBLE VERSE: [God] has given us everything [we need]. *2 Peter 1:3*

Your preschooler is learning how God helps us become more like Jesus. She learned, "[God] has given us everything [we need]" (2 Peter 1:3). Reinforce this truth with your child this week by taking a walk through your home and identifying needs and wants. Help your child consider the difference between needs and wants.

Peter reminded believers in 2 Peter that through God's divine power, He had given them everything to live the way God calls us to live, to glorify Him. Therefore, as believers, we should make every effort to know God through prayer, worship, and study of His Word.

In the letter Peter wrote, he addressed a problem in the churches where some people were listening to others telling lies about the church. Peter took the opportunity to remind believers that God's power gives us all we need to live. God has made many promises to us, the most important one being that we will be able to live with Him. Peter encouraged the churches to keep trying hard to live with goodness and love. He said that these qualities will help you do good works in Jesus' name.

God helps us become more like Jesus. The Bible teaches us how to live a Christian life by following Jesus. Make a conscious effort to follow God's Word this week and live by Jesus' example no matter what comes your way. Read the Bible with your child and talk about how God wants us to live for Him.
