

# **Gospel Project for Kids**

## Expectations & Responsibilities

### **Overview**

As a classroom leader in the CHBC KldsZone, our goal is to partner with parents and be a resource in the discipleship of their children. We view this leadership opportunity as one for the discipleship of children, not just childcare.

Using The Gospel Project curriculum, we will engage in a weekly Bible study that helps students of all ages dive deep into the one big story that is The Bible—God's plan to rescue His people through His Son, Jesus Christ!

### **Team Leader Expectations**

At Coral Hill we believe in teaching our children the Scriptures. We work hard to provide a safe environment for children where they can learn, grow and develop a relationship with Jesus. Our desire is that they develop a foundation based on a biblical worldview surrounded by the Gospel.

To effectively do that, leaders need to:

1. Be prepared and on time. ([Preparation resources here](#))
2. Wear Volunteer lanyards, greet students at the classroom door
3. Pray with students
4. Lead the class in the weekly scripture reading, Bible Story, and Christ Connection.
5. Check student check-in tags to ensure each child has a sticker and that there is a parent contact number in case of emergency.
6. Communicate and demonstrate the shared biblical views of CHBC. ([view that here](#))
7. Take attendance and prayer requests each class session.

### **Team Responsibilities**

We take the teaching, training, and safety of our children very seriously. We ask that each class leader be vigilant and mindful of where students are within in the hour in which you are volunteering. Safety is our top priority. At any time that you need assistance, please contact one of the coordinators or a security team member.

Our desire is that students develop a foundation based on a biblical worldview surrounded by the Gospel. There are parts of The Gospel Project curriculum that are essential to this mission, see teacher expectations.

## Frequently Asked Questions
