

WHAT DOES IT MEAN TO HAVE HOPE IN GOD?

BIBLE STORY: Hope in God (1 Timothy 4:6-16)

BIBLE TRUTH: God is our hope.

BIBLE VERSE: We have put our hope in the living God. *1 Timothy 4:10*

This week's lesson is about hope. Your child learned this week "We have put our hope in the living God" (1 Timothy 4:10).

Hope is sometimes a hard concept for preschoolers. Explain that hope is to expect with confidence that something will really happen. Our hope should be in God. We can have confidence in Him. God is good. He never changes.

Reinforce with your preschoolers that they can have confidence in God. God always keeps His promises. We know that He always keeps His promises because He told us in His Word. Read the Bible with your preschoolers daily and remind them that the Bible is God's Word and God's Word is true!
